### New Carsystem Product

We have a new product for the paint sector within our Carsystem range which is immediately available:

CS - Spot - Blender Part No. 145.987.

- **Area of Application**

A Spot - Blender ideal for spot repair and blending of 2K Clear Coats as well as 2K topcoats. For the transition zone and the surface zone after the clear use.

- **Characteristics**

A Spot - Blender in the spray can with very good partially dissolve properties. The spray can have a very fine spray ray. The result is a homogeneous flow in the transition zone. This has followed a much lower cost for polishing.
